

Dolby Atmos means quality in every language

Create dubbed versions as rich and immersive as your original audio versions using Dolby Atmos. Your audience will love the sound of that.

sounds flow around you, even overhead

crisp dialogue

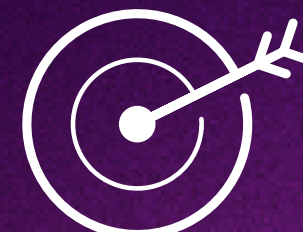

astonishing clarity

life-like audio

intimacy

refined details

Dubbing in Dolby Atmos makes good business sense

Do Dubs Right with Dolby Atmos

Consumers are actively looking for Dolby Atmos dubs

Create and distribute worldwide in Dolby Atmos

All other dubbed versions are easily derived

Consumers value a Dolby Atmos experience*

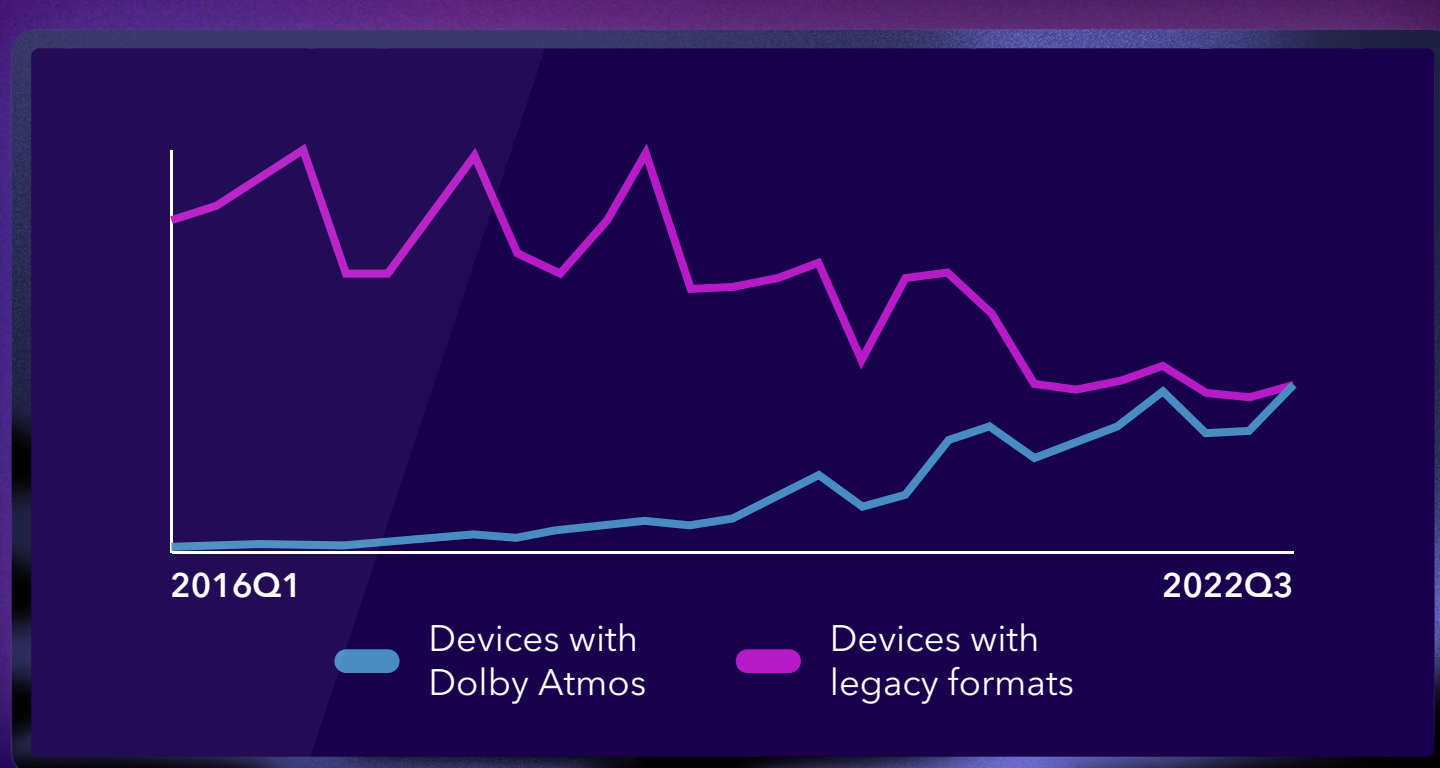

"For movies (and music), ATMOS is a **game changer**."

"Both of my soundbar systems are **Atmos and sound excellent**. You don't have to drop thousands for an immersive sound experience."

"I have a Dolby Atmos sound bar in both, the living room, and the bedroom. **Watching a football game or a movie just isn't the same without one.**"

In Europe, Dolby Atmos-enabled devices have seen sales increase by more than 10x since 2016, while the sales of legacy format devices have dropped by 50%.

1.5 billion

Dolby Atmos enabled devices

Don't fall behind.
